

WHOLE HOUSE REMODEL

Custom Home Case Study ~ Dexter, MI

BRINGING LIFE BACK TO A FIRE RAVAGED HOME...

◀ Rebuilt fireplace, central structure, and completely redone home interior and flooring: shown here are kitchen, dining and living spaces

▲ Fire in the central part of the home resulted in the need to completely rebuild the central structure of the home – trusses, walls, roof, etc. ▼

◀ Rebuilt screened porch area shares the reverse side of the fireplace (not shown in photo.)
